

ATTENTION SUMMER SCHOOL TEACHERS

# Look for warmer weather and brighter students with **CLASSROOM SUBSCRIPTIONS** to The Buffalo News.

Thanks to the generosity of The Buffalo News Partners in Education program and to the support we receive from our vacationing subscribers, your summer school classrooms or summer academic programs can receive free newspaper subscriptions. Teachers may also select from a variety of grade/subject specific curriculum materials tied to NYS Standards. Funding is limited. **Please respond by June 26.**

## Why use The News?

Newspapers are an excellent resource for teaching kids about the world around them. The writing styles, use of pictures and statistical data are integral to the teaching of NYS Learning Standards. And research shows that using newspapers in the classroom can increase standardized test scores by 10-29%. \*
